

# AEG approach to Standardisation of Teaching Material

# Teaching Material Subcommittee

Dr. Vikram Bhatia

Dr. Tae Hyeon Kim

Dr. Wei-Chic Liao

Dr. Charing Ching Ning Chong

Dr. Kazuo Hara

# Training programmes

- Level 1. Local workshop

Basic workshop and Advanced workshop

- Level 2. Train-the-trainers (TTT) workshop

- Level 3. Interventional workshop

# Our purpose is:

- To standardize teaching material
- To propose course curriculum and learning objectives of each workshops
- To propose recommendations of each workshops

# The benefit of standardising teaching material is:

- To keep the good quality of the workshop
- To provide the same quality of the workshop
- To provide the latest information of EUS
- To learn EUS easily for participants
- To save time to prepare lecture slides for faculties

# Responsible for duty work

- **EUS video and slides** ( Dr. Vikram Bhatia)
  - \* Screening EUS (RadialEUS, Curved Linear EUS) for Mediastinum, GI tract and Pancreatobiliary system. Sildes of EUS anatomy.
- **EUS-FNA video and slides** (Dr. Kazuo Hara)
  - \* EUS-FNA for various lesion(Pancreatobiliary, GItract, LN and so on) using Forward Viewing-EUS and ObliqueViewing-EUS, ROSE, Cytology, Pathology
- **Lecture slides** (Dr. Wei-Chic Liao)
  - \* Basic and essential slides for the lecture in local workshop and TTT course. About EUS theory, EUS machines and devices, Roles of EUS, Indications of EUS, Indications of EUS-FNA, Contraindications, Complications and so on.
- **Case library** (collect the cases from all AEG members)( Dr. Charing Ching Ning Chong)
  - Pancreatobiliary disease
    - \* PDAC, IPMA, IPMN, SCN, SPN . . . . , GB Ca, GB ADM . . etc.
  - GI tract and SMT
  - Others
- **Assessment and Evaluation for local course and TTT course**(Dr. Tae Hyeon Kim)
  - \* Survey of EUS trainees( before and follow-up)
  - \* Question bank
    - \* Pre and Post Test
    - \* Course evaluation
  - \* Self assessment
  - \* Assessment by trainers and so on

# Teaching Material Subcommittee Meeting

## Our discussion yesterday

- Copyright issues
- How to participate in building the training material
- How to use the ppt library for each workshops
- How to check the quality of the ppt
- Our recommendations for local and TTT workshops
- We didn't discuss about Interventional workshop

**Dr. Charing Ching Ning Chong**

- Copyright issues
- How to participate in building the training material
- How to use the ppt library for each workshops

**Dr. Tae Hyeon Kim**

- Recommendations for Local workshop

**Dr. Vikram Bhatia**

- Recommendations for TTT workshop
