

Pseudocyst training model in interventional workshops

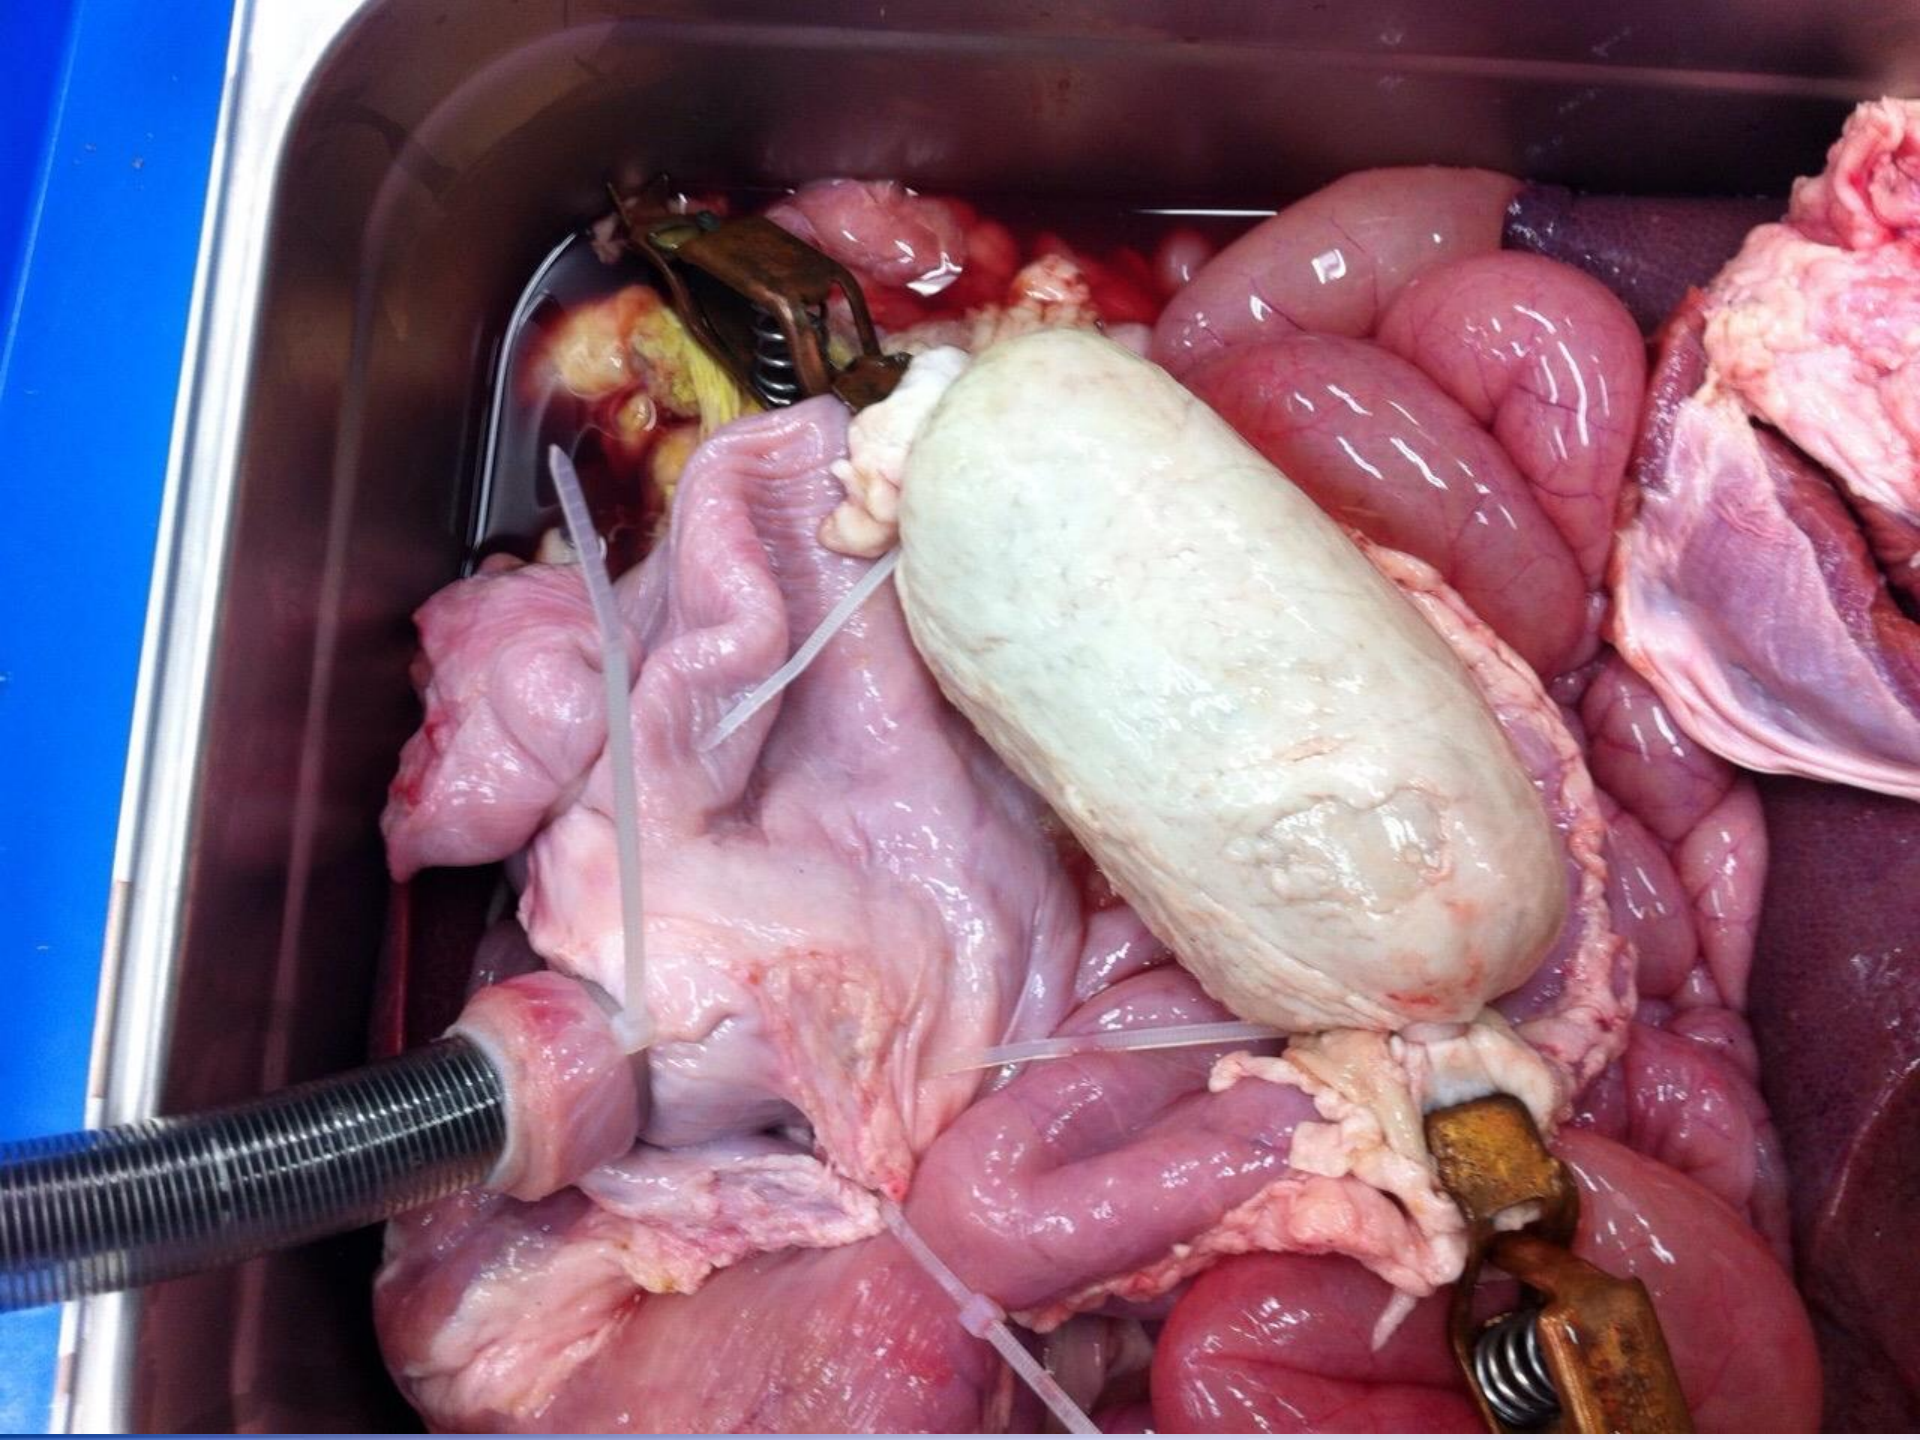

Pseudocyst training model

Pseudocyst model

**Thawee + Teoh =
T&T Pseudocyst model**

1st Focused Workshop on EUS-guided Drainage of Peri-pancreatic Fluid Collections, Hong Kong

- Dec 2013
- Faculty Ken binmoeller
- ½ day workshop

Hot AXIOS reduced difficult of procedure

- 6 endoscopist on pseudocyst model (6 AXIOS vs 6 plastic stents)
- HOT AXIOS significantly reduced
 - workload (NASA Task load index) and difficulty of procedure
 - Overall procedural time
 - No of instrumental changes

2nd Focused Workshop on EUS-guided Drainage of Peri-pancreatic Fluid Collections, Hong Kong

29th International Workshop on Therapeutic Endoscopy
HONG KONG • 9th - 11th December 2014

LIVE ENDOSCOPY FROM ENDOSCOPY ROOM

Final Announcement

Don Wilson

This annual event provides an international technology and research findings on this year's workshop will feature The

Course Director:
Anthony YB TEOH

International Faculty:
Sundee LAKHTAKIA

Programme Highlights

- Updates in the paradigm shift of PFC drainage.
- Tips and tricks in EUS-guided drainage.
- Hands-on session with PFC SEMS placement.

Organized by:

- CUHK Institute of Digestive Disease
- CUHK The Netherlands School of Nursing
- Hong Kong Society of Digestive Endoscopy
- CUHK Jockey Club Minimally Invasive Surgical Skills Centre

Organizers:

- CUHK Institute of Digestive Disease
- CUHK The Netherlands School of Nursing
- Hong Kong Society of Digestive Endoscopy
- CUHK Jockey Club Minimally Invasive Surgical Skills Centre

In collaboration with:

Supported by:

- 11 Dec 2014
- Invited Faculty Sundee Lakhtakia
- Animal model training

BONASTENT® SOO-Stent

- East
- Use
- Entr
- Red
- nec
- Tam
- perf

Interventional EUS Workshop

- 13 Sep 2015
- 11 participants
- Biliary drainage
- Pseudocyst drainage
- RFA

3rd Focused Workshop on EUS-guided Drainage of Peri-pancreatic Fluid Collections, Hong Kong

3RD
FOCUSED INTERVENTIONAL WORKSHOP
on EUS-guided Drainage of Peri-pancreatic Fluid Collections

9 DEC 2015

VENUE

CUHK Jockey Club Minimally Invasive Surgical Skills Centre
3/F, Li Ka Shing Specialist Clinic (North Wing)
Prince of Wales Hospital, Shatin, Hong Kong

COURSE DIRECTOR
Prof. Anthony YB TEOH

INTERNATIONAL FACULTY
Prof. Rob HAWES

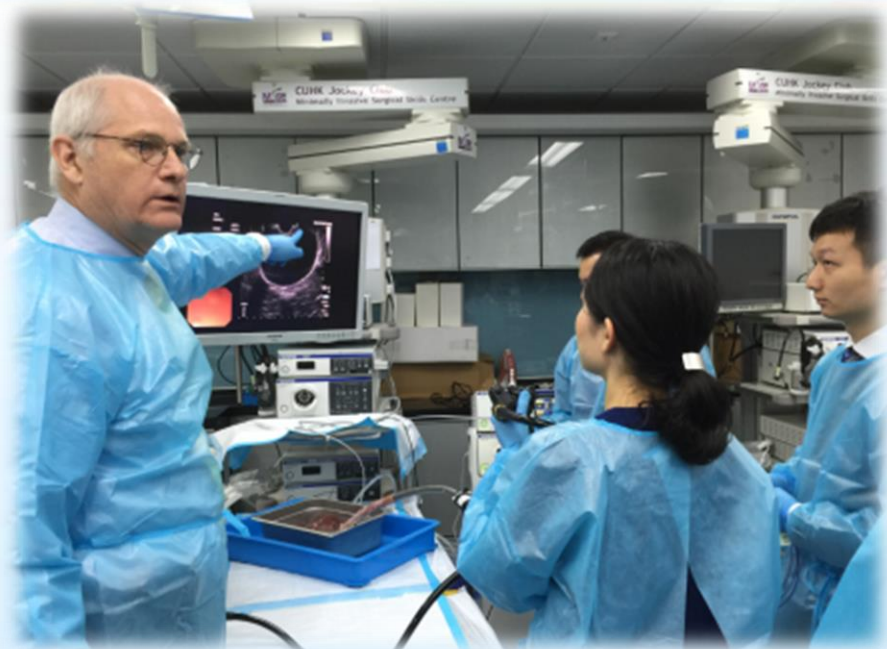

Time	Title	Speaker
08:10-08:20	Opening remarks + precourse test	Anthony Teoh
08:20-08:40	Tips and tricks in EUS-guided drainage of pancreatic fluid collections	Rob Hawes
08:40-09:00	AEG consensus in pseudocyst drainage	Anthony Teoh
09:00-09:30	The role of metallic stents and other adjuvant therapy in WOPN	Rob Hawes
09:30-09:50	Surgical aspects in management of pancreatic necrosis	Ki Fai LEE
09:50-10:00	Group discussion in techniques	All
10:00-12:50	Hands-on session Model 1 (3 participants - 30 minutes each) EUS drainage with plastic stent Model 2 (3 participants - 30 minutes each) EUS drainage with metallic	Nagl, Taewoong
12:50-13:00	Post-course test + Closing	Anthony Teoh

Organized by:  **CUHK** CUHK School of Medicine

In Collaboration with:  **AEG** Asian EUS Group

Supported by: **OLYMPUS**

- 9 Dec 2015
- Dr Robert Hawes as invited Faculty
- Lectures and animal model training

Interventional EUS course

9th-10th Jan 2016

Asian EUS Group Interventional EUS Workshop

2 0 1 6

Course Director:
Prof Nageshwar Reddy
Chief of Gastroenterology & Therapeutic Endoscopy,
Asian Institute of Gastroenterology,
Hyderabad, India

International Faculties:
Dr. Anthony Teoh
Prince of Wales Hospital, Hong Kong

Dr. Thawee Ratanachu-ek
Rajvithi Hospital, Thailand

Local Faculties:
Dr. Sundeep Lakhtakia
Asian Institute of Gastroenterology, Hyderabad

Dr. Rajesh Gupta
Indian Institute of Technology Bombay, Mumbai

Dr. Vikram Bhatia
Consultant of Department of Gastroenterology, New Delhi

Dr. Mohan Ramchandani
Asian Institute of Gastroenterology, Hyderabad

Dr. Mathew Philip
Senior Consultant - Department of Gastroenterology - Cochin

Dr. Anuradha
Asian Institute of Gastroenterology, Hyderabad

Venue
Asian Institute of Gastroenterology & Hotel
MariGold, Hyderabad

ORGANIZER:
Asian Institute of Gastroenterology

IN COLLABORATION WITH:
WEO World Endoscopy Organization
AEG Asian EUS Group

SUPPORTED BY:
OLYMPUS

- 9 - 10 Jan 2016
- Dr Thawee and Dr Anthony Teoh as invited Faculty
- Lectures and animal model training

Interventional EUS

- 8 – 9 Apr 2016
- Dr Vinay Dhir is invited Faculty
- 5 registered participants
- Lectures, live demo and model hands on training

Interventional EUS

ASIAN EUS GROUP (AEG)
EUS-GUIDED DRAINAGE WORKSHOP

30 JUNE to 1 JULY 2016

VENUE: LEVEL 1, TRAINING CENTRE, CHANGI GENERAL HOSPITAL

COURSE DIRECTOR
Prof Lawrence Ho
National University Hospital
A/Prof Ang Ting Leong
Changi General Hospital

INVITED FACULTY
Dr Vinay Dhir
Baldota Institute of Digestive Sciences, India
Prof Dong-Wan Seo
Asan Medical Centre, Korea
Prof Anthony Teoh
The Chinese University of Hong Kong,
Prince of Wales Hospital, Hong Kong

LOCAL FACULTY
Prof Lawrence Ho
National University Health System
Dr Andrew Kwek
